1. Fishing is one of the oldest sports in the world and can be one the most relaxing. A person with a simple wooden pole and line can have as much fun as a sportsman with expensive equipment. For busy executives, overworked teachers, and even presidents of nations, fishing can be a good way to escape from the stress of demanding jobs.
2. The first electric car was built in 1887. It was sold commercially six years later. At the turn of the century, people had great faith in new technology. In fact, three hundred electric taxicabs were operating in New York City by 1900. However, electric cars soon lost their popularity as the new gasoline engine became more widely used without our concern over pollution. Perhaps electric cars will become desirable once again.
